

Welcome to William Pinder & Sons.

William Pinder & Sons Ltd

Pinders - Blades for over 180 years. Probably one of the oldest manufacturers of Doctor Blades in World and producers of a range of Coating Blades, Milling Blades and General Industrial Blades.

We are a Company that knows about Doctor blades because we make them and complement this knowledge with an understanding of the operating environment whether this be the employment of Doctor Blades in Flexo - Gravure - or other area of operation.

A wealth of experience to give you the "Doctoring" edge.
